

## Dr Sam Bailey – Virologie en fuite – Marvin gagne au tribunal

[Source : Vidéos du net]

La dernière fois que j'ai interviewé Marvin Haberland, c'était en octobre 2022, alors qu'il contestait une amende infligée par un tribunal allemand. Il avait délibérément enfreint la législation « corona » pour dénoncer la nature frauduleuse de la virologie. Il a fait valoir que, la virologie ne suivant pas la méthode scientifique, les amendes imposées en vertu de la législation allemande sur les maladies infectieuses étaient illégales.

Marvin est finalement passé devant le tribunal le 26 avril 2023. Écoutez ce qui s'est passé et ce qui pourrait se passer ensuite, alors que la virologie déraile...
