L'État profond a ainsi prédestiné la chute de Biden

Par Maurizio Blondet – 28 juin 2024

Ils ont cousu le complot avec un fil blanc, alors les masses achètent tout.

Il n'est jamais arrivé qu'un débat présidentiel ait lieu en juin, ils ont toujours lieu à partir de la mi-septembre. Les démocrates l'ont proposé 3 mois plus tôt pour trouver un moyen de destituer Biden à temps et de remettre Newsom à sa place. Les médias américains étaient tous prévenus et prêts à l'avance et aujourd'hui ils proclament soudain que « Biden est incapable... ». Ils l'ont sorti en public (Prof. Becchi).

Newsom est le gouverneur de Californie, leur choix depuis des années.

Regardez les grands médias scander : « Biden n'est pas sain d'esprit ! » Ils ont pu le découvrir maintenant... remarquez la technique : la « saturation » est également utilisée avec succès pour le terrorisme pandémique.
